

JACOB'S LADDER

Ladder Cutout Activity:

Activity

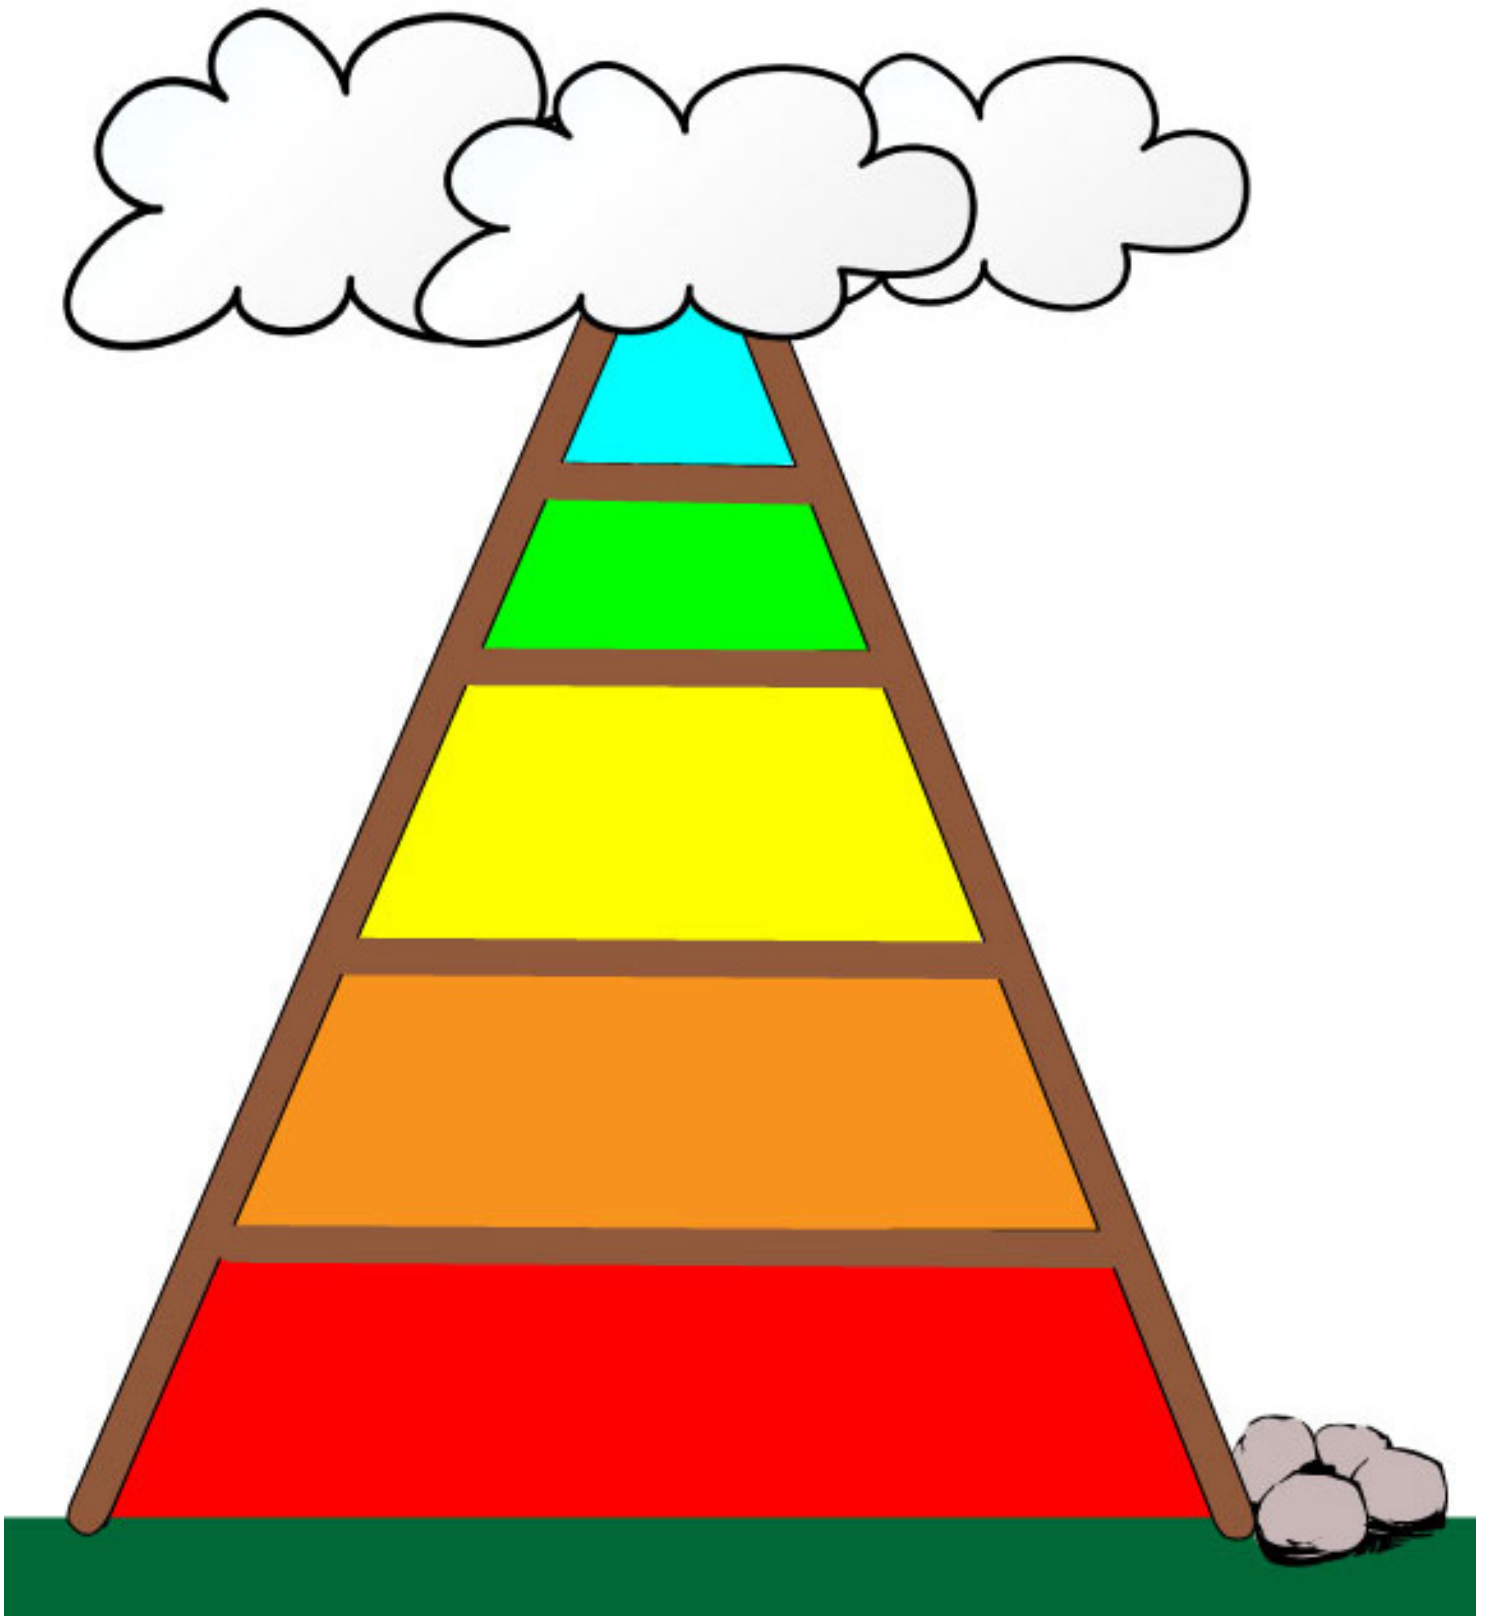

Jacob dreamed about a ladder that stretched from the earth all the way up to heaven. Jacob saw God himself standing at the top of the ladder. God let Jacob know that he was with him. When Jacob woke up he felt close to God and thought, "Surely God is in this place" (Genesis 28:16). In this activity the children will learn some ways they can be close to God. Remind the children that heaven may be far away, but God is close to us.

- Have the children put the cutouts in the correct space in the ladder.
