

Going On a Lion Hunt

We're going on a lion hunt.
Do not be alarmed!
God is by our side.
He'll keep us from being harmed.

Coming to some tall grass
Can't go over it –
Can't go around it –
We'll have to go through it!

Swish, swish, swish
(push grass with small movements of hands)

We're going on a lion hunt.
Do not be alarmed!
God is by our side.
He'll keep us from being harmed.

Coming to a muddy puddle
Can't go over it –
Can't go around it –
We'll have to go through it!

Splash, splash, splash
(splash/jump through muddy puddle)

We're going on a lion hunt.
Do not be alarmed!
God is by our side.
He'll keep us from being harmed.

Coming to a bridge now
Can't go under it –
Can't go around it –
We'll have to go over it!

stomp, stomp, stomp

(stamp floor for sound of bridge crossing)

We're going on a lion hunt.
Do not be alarmed!
God is by our side.
He'll keep us from being harmed.

Coming to a cave now.
It is very dark...
(shiver)

I found something...
It's soft and furry...
It's warm and moves...

It's... it's...

AHHH! It's a lion, run!!!

Over the bridge!
Stomp, stomp, stomp
(stamp floor for sound of bridge crossing)

Through the muddy puddle!
Splash, splash, splash
(splash/jump through the muddy puddle)

Through the tall grass!
Swish, swish, swish
(push grass with small movements of hands)

Phew!
(wipe forehead)

We're safe now!
