

THE CALL OF SAMUEL

Serving Badge

Activity

Samuel was young, but not too young for God to use him. Samuel grew up and became a great prophet. In this activity the children will learn some things they can do so God can use them.

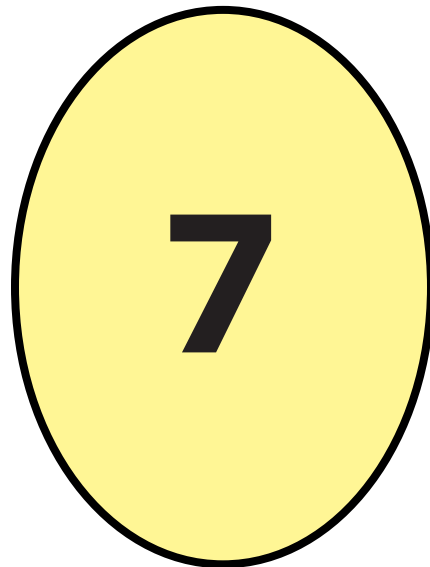

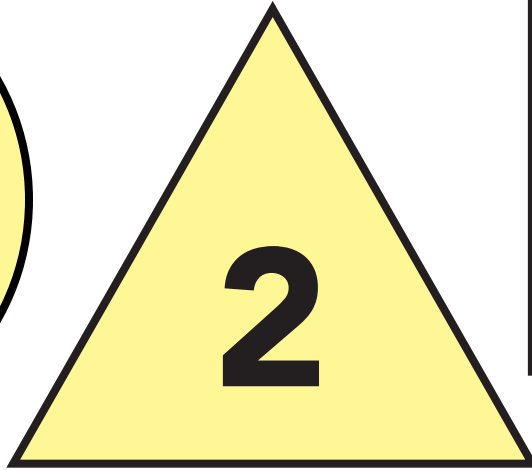

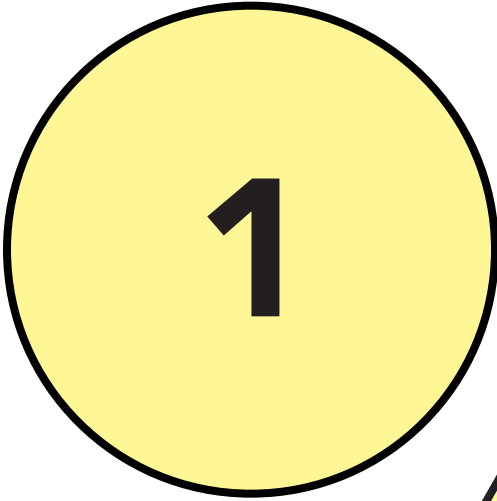

Procedure

1. Print the "Serving Badge" template on cardstock paper.
2. Cut out the different shapes.
3. Have the children match up the shapes while you talk about how the different actions can help God use them.

Explanation: Remind the children that God can use them at a young age.
