Lot's Wife Turns to Salt Activity

Activity

The angels of God told Lot and his family to run for the hills and not look back at the burning city. Lot and his daughters followed the instructions and made it to safety. Lot's wife, however, did not follow the angel's instructions. She looked back and turned to a pillar of salt. In this activity the children will turn Lot's wife into a pillar of salt. Explain to the children that we must listen to God and follow his instructions.
