

THE ESCAPE FROM EGYPT

Burning Bush Craft

Activity

God appeared to Moses in a burning bush. He told Moses everything he wanted him to do. God let Moses know that he was in control of the situation and that he would deal with Pharaoh. In this activity you will make a burning bush craft that will be a reminder that God is in control.

Materials

Paper Bag
Bush Template Cutout
Scissors
Tape or Glue
Candle

Procedure

1. Cut out the bush template cutout.
2. Tape to the inside of a paper bag (on the side without the seam.)
3. Light a candle and place it inside the paper bag. You can also use battery operated candles.
4. Turn off lights so you can see the candle glowing behind the bush.
5. Talk about how God spoke to Moses and let him know that he would deal with Moses and help free the Israelites from Egypt.

Explanation: Remind the children that God is in control.
