

THE SUN STANDS STILL

A Different Day

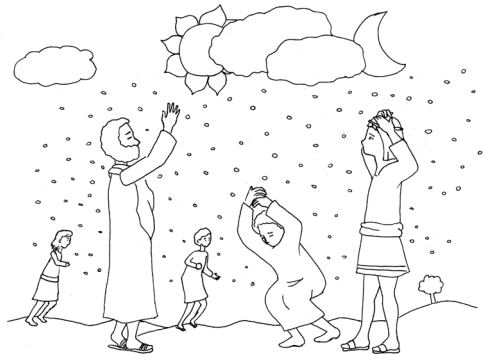

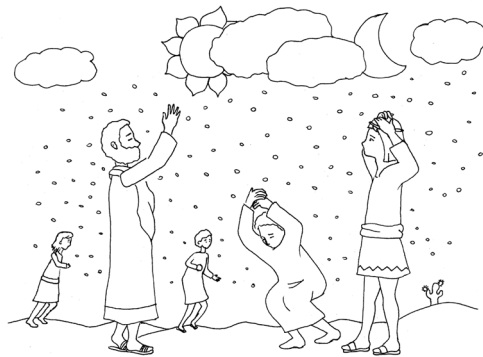

Activity

The day the sun stood still was a day like no other day. There has never been a day like it. God answered Joshua's request for the sun to stand still. In this activity the children will have fun finding the differences on this very eventful day.

Procedure

1. See how many differences the children can spot using "A Different Day" template.
2. Talk about how God listened to Joshua and allowed the sun and the moon to stay still so they can defeat their enemies.

Explanation: Remind the children that God can do anything.

Find 5 differences between the two pictures.
