

THE FIERY FURNACE

God With Us

Activity

Shadrach, Meshach and Abednego showed their commitment to God by not bowing down to the king's golden statue. God also showed his commitment to the three Hebrew boys by standing with them in the fire. This activity will demonstrate the three Shadrach, Meshach and Abednego were untouched because God was with them.

Materials

- Water color paint
- White Crayon

Procedure

1. Print the God With Us activity sheet on the following page.
2. Draw three figures inside the furnace with a white crayon.
3. Have the children color fire in the furnace with the water color (the water color will not paint over the white crayon.)
4. Talk about how the three Hebrew boys were unharmed by the fire because God was with them and protected them.

Explanation: Remind the children that God will protect us.
